## **Create New Bin Move**

Last Modified on 01/17/2019 2:43 pm EST

## Overview

Moving items from one bin to another can be easily completed in OrderTime. A Bin Move allows you to complete the move, record the date in which it was completed, record the quantity.

## **Create New Bin Move**

The Create New Bin Move module is used for completing a bin move of your inventory. To complete a Bin Move follow the steps below:

On the OrderTime main page, click on the Warehouse module and select Create New Bin Move section.

<sup>1</sup> % rder Time											All Orders Demo
