## Changing Time & Date Settings

Date formatting is based on the browser settings as well.

To change the date format for the dates in Order Time, from DD/MM/YYYY to MM/DD/YYYY or vice versa, you must change the language settings in your browser.

(Conditional) If your default is set to English (United States), the dates will appear in the MM/DD/YYYY format.

(Conditional) If you want to change the format to DD/MM/YYYY, you must add an additional language.

**See the instructions for adding an additional language above.**
