Order Time Mobile - [VIDEO] Sales Orders & Picking

Last Modified on 11/03/2026 7:18 pm EST

> **Note:** This video shows an older version of the app, when it was called Order Time Warehouse, so some screens and labels look different today. For current steps, use the written Order Time Mobile articles. We plan to record new videos.

Using the Sales Order List in Order Time Warehouse and Picking your Items. This creates a Ship Doc in Order Time when you are finished.
