Order Time Mobile - [VIDEO] Ship Docs & Packing

Last Modified on 11/03/2026 7:18 pm EST

> **Note:** This video shows an older version of the app, when it was called Order Time Warehouse, so some screens and labels look different today. For current steps, use the written Order Time Mobile articles. We plan to record new videos.

Here's how to load your Ship Docs in Order Time Warehouse, Pack the Items, set up Packages, and view it all in Order Time Inventory afterwards.
