Order Time Mobile - [VIDEO] Receiving Purchase Orders

Last Modified on 11/03/2026 7:18 pm EST

> **Note:** This video shows an older version of the app, when it was called Order Time Warehouse, so some screens and labels look different today. For current steps, use the written Order Time Mobile articles. We plan to record new videos.

Here's how to receive your Purchase Orders in Order Time Warehouse, Set the Bins they are going into, attach the Serial or Lot Numbers, and view it all in Order Time Inventory afterwards.
