

# B2B - Cart List

Last Modified on 02/26/2024 1:46 pm EST

## Overview:

Customers who are utilizing the Business to Business (B2B) portal have the ability to add items to their shopping cart. How would you see this as an Order Time account holder?

## Solution:

If you view a customer's profile in Order Time there is a Cart tab. Select the Cart tab and you will be able to see the items in your customer's Cart. You may also view the Cart list by selecting the Open Full list and then Carts.

## Example:

Here you will see my customer has added 1 item with a quantity of 5 to his B2B Cart with a Total of \$63.35

The screenshot shows a navigation bar with 'PRODUCTS' (highlighted in purple), 'ACCOUNT', and 'CONTACT US'. Below the navigation bar, there is a 'View Cart Items' section with a 'Check Out' button. The cart items are displayed in a table:

PRODUCT	DESCRIPTION	PRICE	UOM	QUANTITY	EXT
Bird Seed- LG		13	EA	5	63

Cart Total: 63.35

From the Carts list in Order Time I am able to see the Item count and Subtotal of my customer's carts.
