

Item Image

Last Modified on 10/26/2021 8:03 pm EDT

Item Image Object

- [End Point](#)
- [Properties](#)
- [Json Sample](#)

End Point

/itemimage

GET, POST, PUT, DELETE

GET and DELETE requests expect parameter id of type Int32.

PUT cannot be used to change the file. If this is the intention, first Delete then Post a new attachment.
