

Company Preferences - Mail and Calendar Integration

Last Modified on 11/13/2024 3:59 pm EST

Mail and Calendar Integration

- Here you can enable and disable the Mail and or Calendar integration
 - Checking the box will enable the integration
 - Leaving it unchecked will disable the integration

The screenshot shows the OrderTime web application interface. At the top, there is a dark blue navigation bar with the OrderTime logo on the left and user information (Edwards PCs, Login) on the right. A search bar is also present. Below the navigation bar, the breadcrumb trail reads 'Admin > Company Preferences'. The main content area is titled 'Company Preferences' and features a 'Save' button and a 'Reset' button. On the left side, there is a vertical list of sections: General, Activities, Doc #s, Items, Inventory, Sales, Shipping, Payments, Purchasing, Receiving, Production, Lot / Serial #s, Repair Orders, Mobile, and Mail and Calendar Integration. The 'Mail and Calendar Integration' section is selected and highlighted. The settings for this section are displayed in a table-like format with two rows: 'Mail' and 'Calendar', both of which have their respective checkboxes checked.

Section	Mail and Calendar Integration
General	
Activities	
Doc #s	
Items	
Inventory	
Sales	
Shipping	
Payments	
Purchasing	
Receiving	
Production
