Additional Notes

- Turning on Catalog Ordering
 - Company Preferences > Sales > Advanced tab > Enable Catalog Ordering (BETA)
 - Make a Sales Order as normal, click on the CATALOG button to the right of the line item entry field.
- Explained the Replace Components button which can be found by going to View Full List and choosing the Bill of Materials List
 - It's at the top-right, green button that says 'Replace Components'
- Rule for modifying Items, do the modification or merge in Order Time FIRST, then merge or modify it in your accounting if you are syncing Inventory.
