

Storage Limits Within Order Time

Last Modified on 10/27/2023 2:29 pm EDT

Question:

What is the maximum size for individual attachments within Order Time?

Answer:

With your Order Time subscription, you enjoy the flexibility of unlimited data entry. However, it's important to note that individual attachments added to Order Time have a size restriction of 50MB. This ensures optimal performance while giving you ample space for essential files.
