

RESET GMAIL CONNECTION

Last Modified on 11/03/2025 1:57 pm EST

RESET Your GMAIL Connection

Sometimes the Integration to Gmail is not setup correctly like connecting to a personal gmail account instead of the business one. To switch it you will need to RESET the connection.

To do this you will need to access your Connections within your Google Account. This article provides instructions from Google on how to manage those connections:

<https://support.google.com/accounts/answer/13533235?hl=en&authuser=3>

This link can be used to get directly to the page in Google to Manage your Connections: <http://myaccount.google.com/connections?authuser=3>
