Importing - Count Line

Purpose:

This import type is designed to update an existing Count in Order Time. Keep in mind not every Item on the count must be updated.

Required Fields:

- Updating Existing Lines: ID, Quantity in System, Count No
- Adding Lines: Item, Bin, Lot/Serial Number, Quantity in System, Count No

Mapping Tips:

- The ID of a line on a Count is EXTEMREMLY Unique. It Represents that Item in the specific Bin with the Specific Lot/Serial number on the specific Count.
