

Version 1.0.41

Last Modified on 06/30/2026 1:35 pm EDT

Version 1.0.41 - Released June 10, 2026

Known issues fixed, improvements and new features added as follows:

Note: Some of these changes were implemented as **Hot Fixes** during the development cycle. They were fixed on separate dates, but weren't published about until the official release. Our development team is constantly releasing new changes to better serve great customers like you!

Due to certain updates you may need to perform a hard refresh on certain pages like the Item Detail page. Check out these instructions on performing a hard refresh: [How to Perform a Hard Refresh and Clear Cache](#)
